*****What are “professional appointments, home hospitality, sightseeing and school visits”?****

Home Hospitality

You can travel the world without leaving home by being a hospitality host: invite International Visitors into your home for dinner, take them out to a restaurant, organize a picnic for them with your friends, or bring them along to a sporting event. How? Become a member and send us a completed membership [form](#) with your interests. Please contact [Katka Letzing](#) for more information.

Sightseeing

Share San Francisco with International Visitors by taking them around the city on an informal walking or driving tour. You can also join larger delegations on their bus as a city guide. How? [Become a member](#) and send us a completed membership [form](#) with your interests. Please contact [Katka Letzing](#) for more information.

Professional Appointments

Do you work in the same field as one of our Visitors? Spend one hour of your time with an International Visitor sharing about your respective professional experiences and discussing opportunities, trends and challenges affecting your industry here and abroad. Please contact [Katka Letzing](#) for more information or to volunteer.

School Visits

Are you an educator who would like to have one of these visitors or delegations come to your classroom? Become a part of our Global Voices Program which brings international leaders into the classroom to interact with students and teach the students about their respective country and position. Please contact [Kari Anderson](#) for more information.
