TAKE A BREAK! -- IIE West Coast Center will be transformed into a temporary art gallery when we celebrate the special talents of a number of Bay Area Fulbrighters at our sixth annual Fulbright Art Exhibit from February 9-13. We will honor the artists at a reception on the second evening of the show and invite you to take this opportunity to meet and talk with the artists about their work. The exhibit includes works by about ten Fulbright international graduate students, Fulbright faculty-level international visitors, and returned U.S. Fulbrighters.

The exhibit will run from Monday, February 9 through Friday, February 13, from 8 a.m. through 4 p.m. daily. The artists' reception will take place on Tuesday, February 10, from 4-7 p.m.

Please let your friends and family know that we would welcome them during the week of the exhibit and for the artists' reception on Tuesday. Parking is available at the Sutter-Stockton Garage with an entrance across the street from IIE, on Bush Street between Stockton and Grant.

For the reception only, please RSVP with names of guests by February 6 to: wcoast@iie.org.

IIE gratefully acknowledges the donation of wine for the artists' reception by IIE West Coast Center Advisory Board member **Carol Hehmeyer** and her husband **Alex**.
